AutoMax™
AUTO FEED SHREDDERS

Revolutionizing the Way You Shred

True innovation brings meaningful change and value to an industry. When developing AutoMax™, our focus was on transforming the shredder category with the high quality performance, features and reliability synonymous with the Fellowes brand. We've eliminated the limitations that were once tolerated with other auto feed shredders. We've allowed you to become more productive with your time so you can truly walk away and let the shredder do the work for you. Fellowes® AutoMax™ Auto Feed Shredders are not just new shredders, they are a new standard for performance.

INTRODUCING AUTOMAX™

Fellowes®, the maker of The World's Toughest Shredders™, is proud to introduce the AutoMax™ 300C and 500C, the first, truly walk-away line of shredders. Featuring Fellowes® proprietary SureFeed Technology™ that eliminates the hassles and limitations seen with other auto feed shredders in the market today. Simply load, lock and walk away. That's it...really.

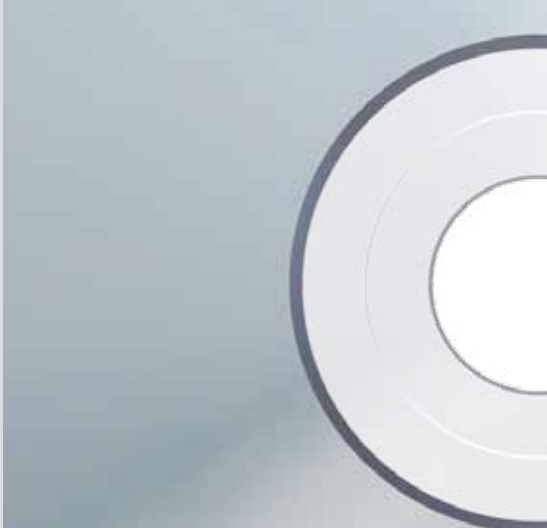

FEATURES

- SureFeed Technology™ provides automatic shredding for maximum productivity
- JamGuard System™ prevents shredding interruptions for jam free operation
- SmartLock™ engages with each shred cycle to protect confidential information
- SilentShred™ offers ultra-quiet performance for shared workspaces
- Energy saving Sleep Mode feature shuts down the shredder after 2 minutes of inactivity
- Innovative touch screen technology with back-lit LEDs
- Convenient pull-out drawer for front loading of materials to be shred
- Versatile, flat top for easy office integration and additional storage space
- 3-Start Delay options for starting shred jobs even after the work day (500C only)
- 2-year product and service warranty plus 20-year cutter warranty

From every angle AutoMax™ delivers dynamic performance. The intuitive touch screen offers effortless operation. The flat-top horizontal design creates additional workspace. The large capacity bin lets you shred many documents with ease and efficiency. The 500C delayed start feature lets you schedule shredding at your convenience. With AutoMax™ shredders, you can truly just walk away.

20 Gallon Bin	16 Gallon Bin

WALK AWAY FROM THE COMPETITION

Unlike other auto feed shredders which have specific limitations for shredding materials, AutoMax™ offers the superior advantage of proprietary SureFeed Technology™ for ease of use, versatility and reliable performance. No more wasting time and effort “preparing” documents, Fellowes® AutoMax™ 500C and 300C do it all! Shred crumpled paper, double sided color printed paper, glossy paper, multiple sheets folded over, paper clips, staples – even junk mail and CD/DVDs. Experience what a true auto feed shredder should be, hands-free and hassle-free.

**THE AUTOMAX™
WALK AWAY ADVANTAGE**
Automatic shredding for maximum productivity - truly walk away!

Compare How AutoMax™ Outshreds the Competition

	Fellowes	Competition

“Now I can shred in-house with the same convenience, but for less.”

OUTSOURCED VS. IN-HOUSE SHREDDING

It's hard to imagine that more convenience, increased efficiency and higher security can actually come at a lower cost. With Fellowes® AutoMax™ 300C and 500C, in-house shredding can provide time and money back to your business, boosting productivity. Shredding jobs can now be taken care of faster than having to wait for outsourced services and without the worry of confidential documents getting into the wrong hands.

And it's easy because anyone can operate AutoMax™.

Simply load up to 500 sheets of crumpled or glossy paper, stapled or paper clipped paper - even CD/DVDs, lock and walk away. That's it... really. Better productivity has never been so easy and cost so little.

IN-HOUSE SHREDDING ADVANTAGES

TIME-SAVING CONVENIENCE

Automatic shredding so you can walk away and focus on other priorities.

LOWER COSTS

No more hidden fees or excessive service charges – you can put that money back into your business!

INCREASED SECURITY

Know who is handling your confidential information so you can help prevent a security breach.

THREE YEAR SHREDDING EXPENSES
