

Deskside Shredder

20100 PS

The finishing touch to data security in today's offices is a document shredder with an optimal working height to be situated right alongside the desk. It replaces the usual waste paper basket with the added benefit of immediate built in security.

Stable construction from unbreakable plastic material. The specially designed front door allows for magazines and crumpled paper to be put straight into the bin. The motor is triggered and stopped by a micro switch.

- 5 years warranty against cutter-fracture
- 2 years function warranty if used in accordance with manufacturer's instructions.
