FELLOWES® MS-450Ci

Unique Features

Superior Security (Din 4). Shreds 1 piece of A4 paper into over 3000 pieces

Jam Proof System automatically stops & reverses the machine when too much paper is inserted

Automatically stops shredding when the throat area is touched

Provides ultra quiet operation, minimising office disruption

How the 100% Jam Proof System works:

- 1 The shredder electronically measures paper thickness to prevent paper jams.
- 2 Watch the light bar while you shred:
 - Green to yellow means you are within the recommended range
 - Red means the shredder is overfed – remove excess paper to resume shredding.
- 3 If a misfeed occurs, the 100% Jam Proof System will power through it!
