S 150

Elegant compact shredders designed especially for Desk Side Use in small office.

roto[®]

S 150 Series

The very low running noise makes it a popular member in any busy office. Thanks to its compact dimension the ROTO S150 can be placed next to any desk bringing effective data protection with easy reach of the user.

Its price-performance ratio makes the ROTO S150 a unique machine. The waste bin can be emptied without lifting the cutting unit and the machine will automatically turn off when the receptacle is removed for complete safety.

This series is available in Strip-Cut or Cross-Cut depending on your security requirements. This new design no longer requires oiling which is unique for Cross-Cut shredders.
