S 500

Great value Security Shredders designed for all General Office requirements including bulk and Top Secret destruction.

roto[®]

S 500 Series

This series covers all the requirements of the general offices including the bulk destruction of A4, A3 and computer printout sized documents.

Choose this exceptional high value performance shredder with many advanced technical features including Automatic On/Off control via light barrier, Operator guidance and an "Ready" indicator as well as LED's for paper jam, bin full and door open.

A low running noise ensures a quiet office environment whilst a catch basket with changeable waste bag helps with dustproof emptying. The cutters are made of especially hardened steel so staples, pins, clips, ID Cards, CD's, floppy disks (strip cut only) are easily shredded.
