

DAHLE MHP Technology® document shredders 410

- User-friendly document shredder for departmental use
- Innovative MHP® (Matrix High Performance) cutters: high-quality compound steel cutters that are guaranteed to last
- Patented manufacturing process preserves resources by considerable saving of raw materials compared to a conventional production of cutting cylinders
- oil- and maintenance free operation
- Systematic use of perfectly matched components ensures optimum functionality and shredding performance
- Clearly designed, user-friendly control panel
- Integrated light barrier for automatic start and stop
- Convenient automatic reversing function clears feed opening after feeding in too much paper
- Convenient feed and reverse function for manual control
- Motor cuts out automatically when waste box is full or door is open
- Automatic shut-down after 10 minutes at idle
- Powerful motor for high capacity and longer running times
- Extremely quiet operation for a particularly pleasant working atmosphere
- Separate CD feed opening and waste box for reliable, environmentally friendly shredding
- High-quality wooden cabinet in modern design fits into any office
- Widely opening doors for ease of emptying the waste bag
- Convenient swivel casters with brake for reliably keeping the document shredder firmly in place
- Separate main switch for completely shutting down the document shredder
- Practical IEC power connector can be unplugged from the document shredder
- Includes 10 strong waste bags suitable for re-use (Item no. 20707)
- Dimensions (H x W x D): 944 x 545 x 435 mm

CE Compliance

Departmental document shredders: professional performance across the team.

Entry width 260 mm

Waste collection volume 100 litres
