Technical and design modifications reserved.

Solid and reliable document shredder for small workgroups. The powerful motor with overload protection shreds documents, loyalty cards and credit cards in continuous operation safely and reliably. The shredder material is conveniently removed through the removable, reusable waste bag.

- High quality materials and "Made in Germany" quality for security and durability.
- Cutting rollers made of hardened solid steel with lifetime warranty.
- Powerful motor allows for continuous operation.
- Quiet operation minimises noise development in the workplace.
- Low power consumption in standby mode.
- Paper feed with overload protection reduces paper jams.
- The device automatically switches off if pressure is applied to the safety element.
