intimus AutoShred 180 CP4

FULLY AUTOMATIC DOCUMENT SHREDDER

START. LOAD. AND LEAVE. DONE!

With our fully automatic document shredder hours of shredding are a thing of the past. The intimus AutoShred 180 CP4 guarantees a secure and fully automatic data shredding of up to 180 sheets in autofeed mode. With 58 dB(A) it is particularly quiet in operation. The integrated overheating protection and anti-paper jam protection technology allows a long operating time of up to 120 minutes without interruption. As soon as the work is done, it switches off automatically after 5 minutes.

Perfect for reliable shredding of:

- **Paper**
  including staples and paper clips
- **Credit cards**
  with magnetic strip or electronic chip

1. START.

Design

USPs

- At 58 dB(A), intimus AutoShred 180 CP4 is particularly quiet in operation and ensures a convenient working environment.
- The construction and finishing meet the highest quality and safety standards.
- 180 sheets of 80 g/m² paper with paperclips and staples can be fed via auto-feed.
- Credit cards and up to 10 sheets of 80 g/m² paper can be shredded via the manual feed.
- The large and easily removeable 32-litre waste bin can hold up to 500 sheets of paper.

- The 4 x 12 mm particles comply with security level P-4 according to DIN 66399 (ISO/IEC 21964).
- An overheating protection and clever anti-paper jam protection technology ensure a particularly long operating time of 120 minutes without interruption.
- Once the work is done, it switches off automatically after 5 minutes.
- Its practical castors allow you to move it easily to the place you need.

Large 32-litre collection bin.

Also shreds documents with paper clips and staples.
