

## JBF DC 42/35

### Important Features

- CEKON CEE 32A plug for connection to the power supply by non-electricians
- Slim design to fit through standard office doors
- Compliant with DIN 66399 security level P2 or P3 (depending on selected knives)
- Accepts stacks of up to 160 pages of DIN A4 paper 70 g/m<sup>2</sup>
- Processes up to approx. 250 to 300 kg paper documents per hour
- Handles small amounts of other data media like CD's, DVD's, floppy discs

### Intended Range of Application

This machine was designed for operation directly in the administration of companies or banks. With its relatively small footprint it provides for sufficient performance for continuous disposal of paper documents and other data media. Installed in a van or truck it can be used for low volume mobile shredding services.

### Technical Data

Power supply	V / Hz	400V / 50Hz / 3Phase (other voltages and frequencies available upon request)	
Motor power	kW	5.5	
Working width	mm	420	
Knife width	mm	6 x 50 or 11.8 x 55	
Machine dimensions	mm	approx. 1,810 x 835* x 1,700 mm	*1,840 mm with door open
Machine weight	kg	600	
Collecting bin volume	litre	240
