

KOBRA HDD

Hard Disk Drive Shredder

Throat width:
127 x 30 mm

Shred size:
40 mm strip cut

Security level ISO/IEC 21964 (DIN 66399):
T-1 E-2 H-3

Shreddable materials:
Hard Disk Drives, Magnetic Tapes, CDs/DVDs, Blu-ray Optical Media, Credit and Identity Cards, USB sticks, Solid State (Phones and PDAs).

Rated Capacity:
280 HDD/hour

Cutting Speed:
30 mm/s

Waste bin capacity:
40 liters

Noise level (idle operation):
50 dba

Voltage:
230 Volt / 50-60 Hz

Power:
1500 Watt

Dimensions (WxDxH):
120 x 84 x 123 cm

Net weight:
550 Kg

KOBRA HDD IS A HARD DISK DRIVE SHREDDER data protection compliant capable of destroying Digital Media Devices including Hard Drives up to 3.5", LTO, Ultrium, Magnetic Tapes up to 3.5", CDs, DVDs, Blu-ray Optical Media, Credit and Identity Cards, USB Sticks and Solid State (Phones and PDAs).

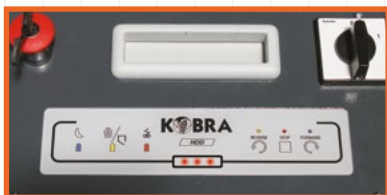

The new KOBRA HDD produces very low noise levels on a 24 hour continuous duty operation, destroying all kind of digital media devices into tiny 40 mm strip cut and making retrieval impossible. KOBRA HDD power unit durability and robustness can shred up to 280 hard drives per hour and it plugs into a standard single phase power supply.

KOBRA HDD carries the latest Touch Screen Technology, the most technologically advanced on the market today. Functions are activated by simply touching the panel. Also, illuminated optical indicators clearly show the current status of the machine.

- **24 HOUR CONTINUOUS DUTY** enables powerful and long operation at a minimum noise level
- **TOUCH SCREEN PANEL**
- **EXCLUSIVE SHREDDING TECHNOLOGY** through high carbon grade steel cutting knives for extended durability
- **HIGH EFFICIENCY MOTOR:** can save a considerable electrical energy cost
- **AUTOMATIC STOP** with light indicator for bag full
- **SAFETY STOP** in case of open door / bin removal
- **EASY TO MOVE UNIT** thanks to the casters applied at the bottom of the machine
- **EMERGENCY STOP SWITCH:** stops immediatly all machine functions

The KOBRA HDD produces very low noise levels on a 24 hour continuous duty operation, destroying all kind of digital media devices into tiny 40 mm strip cut.

Convenient touch-screen panel for the operation of the Kobra HDD

Easy removal and emptying of waste container

Kobra HDD can be supplied, on request, with an NSA National Security Agency approved Hard Disk degausser
