Powerful high security shredder with the highest capacity and a 400mm throat to shred high volumes of "Classified" and "Top Secret" documents. The special cut of 0,8x5 mm. meets the latest shredding Standards issued by the National Security Agency (NSA/CSS Specification 02-01) of the US Government. An A4 sheet of paper is shredded into 16.500 micro-shreds which become absolutely unreadable even if special electronic optical microscopes are used. Tested and approved by many international Governments and Military Bodies, this shredder is also being used by the US Department of States, the CIA and the National Security Agency.
