

# Document shredders for open-plan offices

## 20806

The optimum paper feed width of 400 mm and the high shredding capacity make this machine the right tool for coping with ordinary office paper or computer print outs.

The cabinet is made from solid wood, the top cover from virtually unbreakable plastic material. Comfortable electronics in combination with an automatic reverse function. The motor cuts out automatically when the front door is opened and the waste box is full. This model is easy to move around thanks to four fitted castors. Cutters are made of special steel and cope with paper clips and staples. The shredder is supplied complete with 10 spare waste bags no. 20705 and a single tier feed rack no. 20718.

- 5 years warranty against cutter-fracture
- 2 years function warranty if used in accordance with manufacturer's instructions.

## 20822

The optimum paper feed width of 400 mm makes this machine the right tool for coping with ordinary office paper and computer print outs. With 2 x 15 mm particles it complies with level 4 security and is thus appropriate model for extremely sensitive documents.

The cabinet is made from solid wood, the top cover from virtually unbreakable plastic material. Comfortable electronics in combination with an automatic reverse function. The motor cuts out automatically when the front door is opened and the waste box is full. This model is easy to move around thanks to four fitted castors. Cutters are made of special steel and cope with paper clips and staples. The shredder comes complete with 10 spare waste bags no. 20705 and a single tier feed rack no. 20718.

- 5 years warranty against cutter-fracture
- 2 years function warranty if used in accordance with manufacturer's instructions.
