The Powershred® 460Ms Micro-Cut Shredder offers ultra quiet performance and superior protection for small offices of up to 5 users. This Security Level P-5 shredder shreds 10 sheets per pass into 2x8mm particles, cutting each piece of A4 paper into over 2,000 pieces, making highly confidential information almost impossible to re-assemble. The Powershred® 460Ms Micro-Cut Shredder offers ultra quiet performance and superior protection for small offices of up to 5 users. This Security Level P-5 shredder shreds 10 sheets per pass into 2x8mm particles, cutting each piece of A4 paper into over 2,000 pieces, making highly confidential information virtually impossible to assemble and read, this is 10 times smaller than standard cross-cut shredders! The SilentShred™ technology offers ultra-quiet performance making this machine ideal for shared workspaces. For added peace of mind when shredding the 460Ms features innovative SafeSense® Technology that stops shredding when hands touch the paper entry. It features wide 230mm paper entry plus a designated safety slot for CDs. As well as the advantage of superior protection, smaller particles take up less space in the waste bin, this means you won't have to empty the 28 litre pull out bin as frequently. This machine can also shred staples, credit cards and CDs and shreds continuously for up to 10 minutes. The Fellowes 460Ms comes with a 2-year product and service warranty plus 5-years on cutters.
